Mr. A. G. Milbank

Dear Mr. Milbank:

I am returning the memorandum with its accompanying bill, because your son is entitled to the ten copies of his book, for which you ask, and I am assuming that you are making the request in his behalf. There is still a balance of nine copies due him.

Very respectfully yours,

Secretary

A. G. Milbank, Esq.,
Panfield,
Huntington, L.I.

Dear Mr. Milbank:

Your son, S. R. Milbank, was to send me from Switzerland, when he reached there, the address of the place in which he expected to stay through February and, possibly, part of March. This was for the purpose of my sending him some numismatic material which he proposed to use after he left there. If you have such an address, may I ask that you communicate it to me, as part of the programme involved letters or cards of introduction to museum authorities in Sicily and requires some knowledge of when your son expects to reach there.

Very truly yours,

Secretary
